

## *Environmental Management Policy*

The policy of **GULF CONTRACTING CO.(W.L.L)**, is that its operations will be executed at all times by trained and competent personnel in such a way as to ensure, so far as is reasonably practicable, the environment is not adversely affected by its operations.

The company is committed to protect the environment by playing an active management role in setting the objectives, comply with relevant environmental legislation and regulations, planning, design and implementation of all work in which they are involved. The prevention of all environmental issues are essential to the culture and operations of **GULF CONTRACTING CO.(W.L.L)**.

The Company Environmental Management System meets the requirement of ISO 14001:2004 and is disseminated to all the employees and other interested parties.

The Environmental Management System will be monitored and reviewed on a regular basis for continual improvement and shall be updated or revalidated as appropriate.

  
John Kennedy
